### CME ACCREDITATION STATEMENT

The American College of Legal Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medicine education for physicians.

The American College of Legal Medicine designates this live activity for a maximum of 20.25 AMA PRA Category I Credits™, which includes a maximum of 1.0 of Medical Ethics hours credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### CONFLICT RESOLUTION STATEMENT

The American College of Legal Medicine has reviewed this activity's speaker and planner disclosures and resolved all identified conflicts of interest applicable.

### CLE ACCREDITATION STATEMENT

The American College of Legal Medicine designates this program for up to 17.75 hours of Continuing Legal Education (CLE) credit, which includes a maximum of 1.0 Legal Ethics credits (.75 Substance Abuse). The precise amount of the CLE will vary by state.

### DENTAL CREDITS

The American College of Legal Medicine designates this program for up to 22.75 hours of Program Approval for Continuing Education (PACE) credits.

*"This activity has been planned and implemented in accordance with the standards of the Academy of General Dentistry Program Approval for Continuing Education (PACE) through the joint program provider approval of UNLV School of Dental Medicine and ACLM. UNLV School of Dental Medicine is approved for awarding FAGD/MAGD. AGD Pace Provider 213111."*

*Approved PACE Program Provider FAGD/MAGD credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. Nationally Approved From 06/01/2017-05/31/2021. Provider ID #213111*

*UNLV School of Dental Medicine is an ADA CERP approved provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. UNLV SCHOOL OF DENTAL MEDICINE designates this activity for 22.75 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.*

*"This activity has been planned and implemented in accordance with the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between UNLV School of Dental Medicine and American College of Legal Medicine (ACLM)"*

## NEEDS & OBJECTIVES

Physicians, dentists, attorneys, and educators who practice in the health care industry and its related fields recognize that the practice of medicine is complicated by abundant legislative requirements, administrative rules and regulations and Federal/ State court decisions interpreting those laws.

It is difficult to maintain a working knowledge of these developments. This meeting will provide details of new legislation, rules and court decisions, societal changes and shifts in the marketplace that will impact the practice of medicine, special and vulnerable populations in particular. Key changes impacting the practice of medicine and law during the past one to two years include: fraud investigations against health professionals, the ethical and legal issues of individuals with traumatic brain injury, the delivery of care models that emphasize quality and safety within multidisciplinary teams, challenges to the Affordable Care Act, issues with vaccinations and personal exemptions, and individuals with mental health problems in front of civil and criminal courts.

### Global Learning Objectives:

The 62nd Annual Conference of the American College of Legal Medicine will focus on topics related to Public Health, Law, and Society. By the conclusion of the meeting, participants should be able to:

- Update on federal and state legislation affecting the practice of legal medicine
- Review of federal laws and regulations as applied to the pandemic
- COVID-19 issues affecting businesses, academia, public health and society – both domestically and internationally
- Updates on the opioid pandemic
- Health Equity in primary health care delivery and ethics
- Effective public health communications
- Updates in genomics and inclusion of marginalized members of society
- Public health oral health as a combined effort among medicine and dentistry
